I can use the **le** sound at the end of words.

Next to each picture, write the word making sure that it ends in **le**. If the letter before the **le** is an ascender or descender highlight it or write it in a different colour.

Now draw your own pictures to go with these words.

	uncle
	circle
	needle

	poodle
	candle
	icicle

Extension Task

Make a list of more words ending in **le**. How many can you think of?
