Which Hemisphere?

Is the UK in the Northern or Southern Hemisphere?

Hot and Cold Climates

What is the difference between weather and climate?

Weather

Weather is the day to day changes that we see happen. So, it can be sunny one day and rainy the next.

Climate

Climate is the average weather usually taken over 30 years for a particular place.

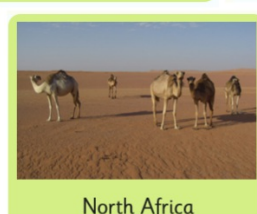

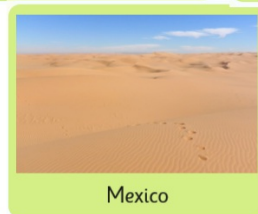

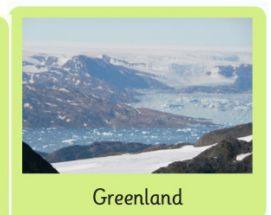

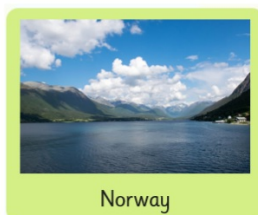

What is the weather like in our country?

Is it hot / cold / changeable?

What would you like our weather to be like?

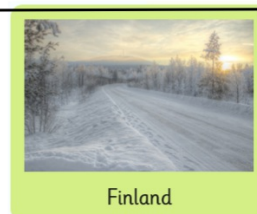

Countries have different types of 'climate' around the world; they can be **hot** or **cold**.

Can you sort the countries into hot and cold climates?

Hot

Cold

Where do we think our hot and cold places will be in the world?

Let's find them in our atlases and using Google Earth.

Let's pretend to go on an adventure...

Where do you think we are?

Let's check in our bags and pick up our tickets!

We've got our boarding passes and passport...

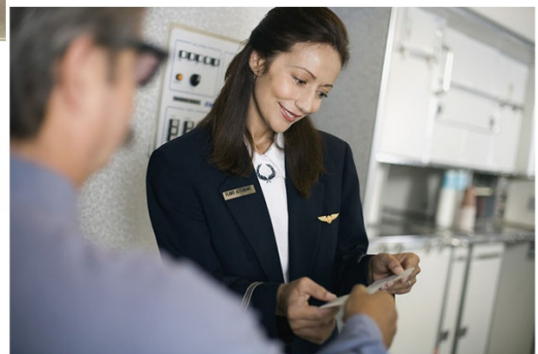

...time to go through security!

Our flight is ready to board! Let's go to the departure gate.

Don't forget to show them your passport and boarding pass!

Look! There's our plane...time to board!

Everyone, find your seats.

Time to watch the safety demonstration.

It's time for take off...

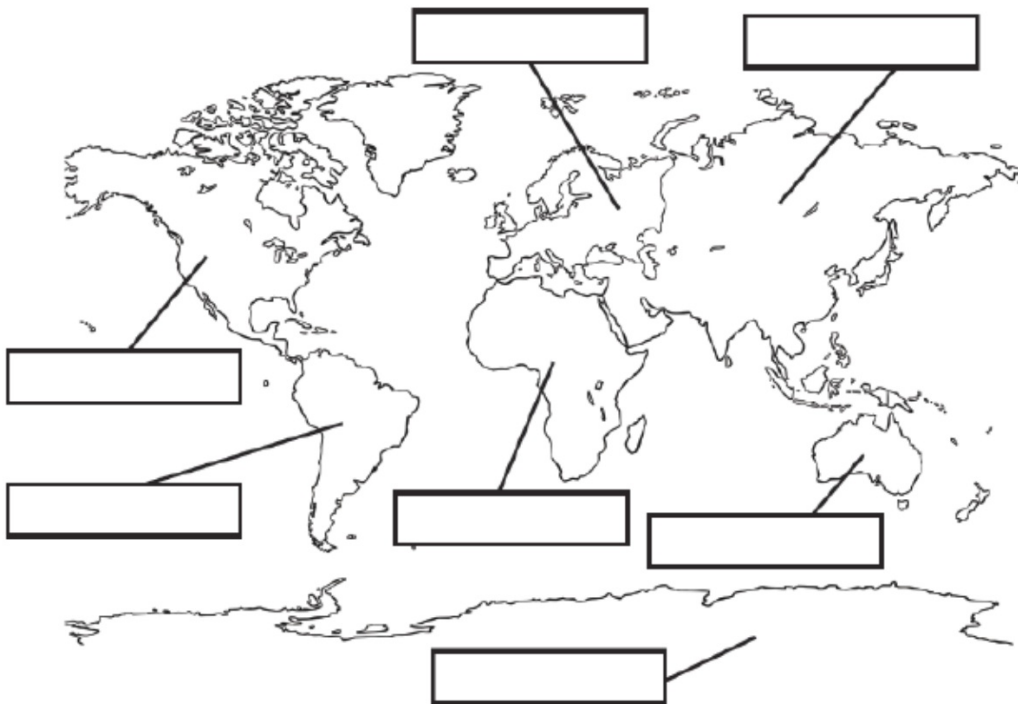

https://www.youtube.com/watch?v=i_Q67XglDBg

Now sit back and relax...it's a very long flight!

To keep you occupied on the journey see if you can name the 7 continents and 5 oceans of the world.

The Seven Continents of the World

Pacific Ocean

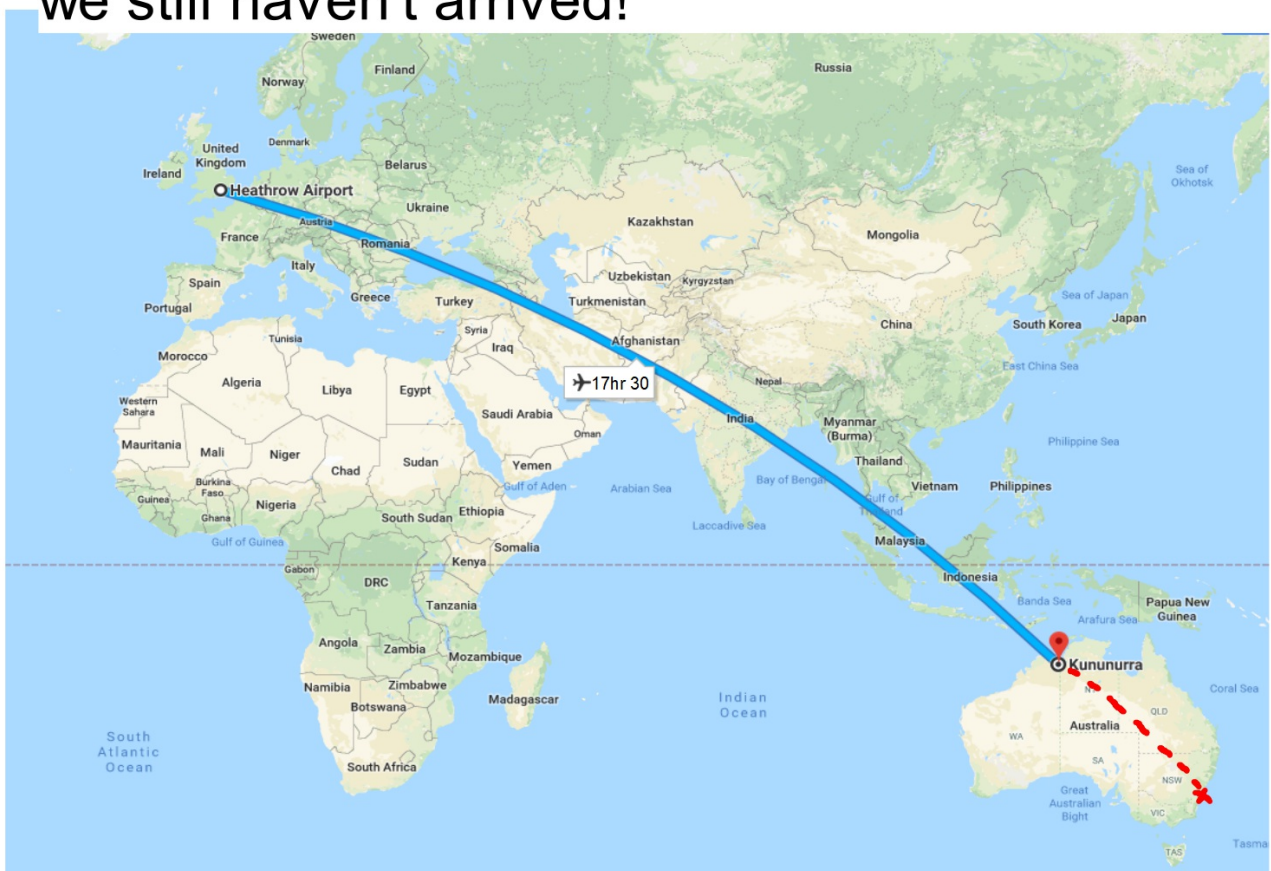

Arctic Ocean

Indian Ocean

Atlantic Ocean

Southern Ocean

Good morning Year 2, Please find a seat...
we still haven't arrived!

Chairs back to positions! We're ready to land in Sydney!

It's a little bit cloudy in Sydney today!
