

Oh no! All the words and definitions have got muddled up!
Cut them out and match them to their real meaning.

pleasant	make a groaning sound
sneaked	in a helpless way
muttered	to smile widely
plonked	sit down hard
beamed	to throw carelessly
flinging	mumble so you can't be heard properly
weakly	nice
groaned	move quietly

How many did you get right?

Make sure yours are all correct and stick them in.

pleasant	nice
sneaked	move quietly
muttered	mumble so you can't be heard properly
plonked	sit down hard
beamed	to smile widely
flinging	to throw carelessly
weakly	in a helpless way
groaned	make a groaning sound

 could you use any of these words in a sentence?
