24th November 2022

Dear Parent/Guardian,

During their DT sessions in the second to last week of the term, Year 5 children will be creating their own chocolate from recipes they have researched using the raw ingredients: cacao nibs, condensed milk, chilli flakes, mint and vanilla extract. This will involve them tasting a range of chocolate and handling the above mentioned ingredients.

Could you please let us know if your child has any allergies that may be affected by these activities?

Please complete the form on Scopay to provide the information required or return the slip below to the school by Thursday 1st December 2022.

Yours sincerely,

Year 5 team

Year 5 Chocolate Making / Tasting

I give permission for _____ Class _____ to take part in the chocolate making and tasting activities, which form part of the school curriculum.

She/he:

- a. can handle/taste all ingredients
