

Extra Curricular Clubs & Activities - Autumn Term 2024

Dear parents / carers,

Please find details below of the extra-curricular clubs available this term. Please note that there is usually no charge for these clubs (there may occasionally be a small charge for materials required), as they are run on a voluntary basis by members of staff in most cases. Please also be aware that the list will change throughout the year as some activities are seasonal. With some clubs there may be a maximum number of children that can participate at any one time and waiting lists may have to apply. **Children interested in any of the clubs should speak to the adult responsible to find out further information.**

We have also included a list of activities that are held on the school site, but are run by external organisations that hire the premises from the school. Details of additional music instrument tuition run by peripatetic teachers from Hampshire Music Service are available on request from Mrs Jackson - there is a cost for these sessions.

Year Group	Club / Activity	Day, Time & Place	Teacher
Year 5/6	Netball Club	Wednesday 3:30-4:30 Playground	Mrs Ricketts
