Dear Parents:

I am delighted to share with you that Year 2 will be trialling Seesaw (<http://seesaw.me>) after the Easter holidays, a secure online journal for teachers to communicate with their students and families while students can share and reflect on what they are learning. You and your child will be able to add the things they are working on (including photos, videos, worksheets, drawings and voice recordings) to their Seesaw journal.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent.

I hope that your child will enjoy using Seesaw to document and share their learning. Please sign below and return this permission slip so that your child can use Seesaw. Electronic, or permission in writing, via email is also fine. Or alternatively you can select consent on scopay.

Many thanks,

Mrs Donougher and Mr Jackson
