September 2024

Dear parents/guardians,

In recent years, it has proved increasingly difficult for us to cover the costs of materials and resources needed for design and technology (DT) projects. Since the introduction of the new national curriculum, we have further developed our D.T curriculum and introduced lots more exciting and challenging projects, including food topics in every year group, which the children have really enjoyed.

We are therefore asking if it is possible for you to make a small contribution at the start of each year, to subsidise these costs. The contribution will be kept to a minimum, will be the same for each year group and will enable the children to take home some of the projects they complete. The contribution will help to purchase all of the materials, resources and equipment that your child will need throughout the year, including food projects - you will not be asked to donate any more money, or send in any ingredients etc. Please can you make the payment by the end of October (it is not necessary to return the slip if you make an online payment).

Many thanks for your support.

Mrs Barker
Design & Technology coordinator

Contribution to DT projects

I enclose a contribution of £3.00 cash **OR** I have made an online payment (delete as appropriate)

for _____ (child's name) of class _____

Signed _____ (parent/guardian)
